TRY THEM ON!

It all started 25 years ago with a universal problem muck. Wet, messy, muddy, dirty muck. We were determined to find a solution for keeping our feet warm and dry through it all. We began, out of necessity, to build premium, protective, reliable boots that offer exceptional comfort in every element.

That's how The Original Muck Boot Company was born, providing 100% waterproof boots and footwear that withstand the muckiest situations in every season.

Over the past two decades we have had the freedom to innovate, experiment, and test our products in every single element because outside, there are way more than four seasons.

That's why we've designed each of our styles to work hard for every task and brave every condition so you can be protected, productive, and always in your comfort zone, no matter what the weather.

MuckBootBenelux

muckboot_benelux

100% MUCKPROOF

We are dedicated to building footwear that is **100% MUCKPROOF**: remarkably protective, exceptionally comfortable, and totally waterproof. Constructed from premium rubber, neoprene and leather materials, designed to brave every element.

WHAT GOES INTO OUR PRODUCT?

Product technology

With all types of Muck Boots, this icon explains the specific properties of these boots.

100% Waterproof Materials and Construction

Fleece

Breathable Mesh
Sandwich-fabric lining improves air circulation

Exclusive Honeywell RDR® rubber compound grips surfaces, creating sure footing

ARCTIC WEEKEND

WAW-000 BLACK

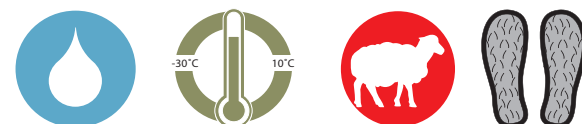

WAW-W05 BLACK/PLAID

WAW-090 BLACK/BROWN

Charmingly cut lightweight ladies boot for a wonderful winter walk through town and country. The 4 mm thick neoprene and the fleece lining keeps your feet warm and dry even minus 30 degrees. These half-high boots are easy to put on and take off.

With anatomically preformed EVA footbed and reinforced Achilles heel for extra comfort. The rubber sole provides good grip. And you can easily clean them again with water and soft soap.

- 100% Waterproof
- 5mm Neoprene Bootie for Comfort and Performance
- Cool Weather Lining: Soft, Insulation, Light-weight, Performance Materials for Warmth and Comfort
- Achilles Reinforcement
- Lightweight Midsole for All Day Comfort and Support
- Light Gripping Rubber Outsole

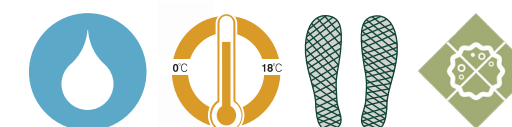

MUCK ORIGINALS COLLECTIONS

Inspired by our iconic Chore Boot, Muck Originals is a collection of light duty, yet essential footwear built for everyday use. Fully lined boots are wrapped in soft, handlaid rubber for comfortable, 100% waterproof protection. Moulded PU footbeds with memory-foam top covers offer maximum underfoot comfort, and the antimicrobial insert with odour and moisture management treatment keeps you fresh all day. Easy on, easy off designs and durable outsoles with breasted heels offer traction, style, and performance for life outside.

MUCK ORIGINALS PULL ON WOMEN

OMW-901 TAUPE

This boot is perfect for working around the yard, while offering all-day comfort and features a lace up accent on the side, so you can keep them on if you need to run into town.

- 100% Waterproof
- Full Neoprene Bootie Exposed at Sides for Added Comfort and Easy On/Off
- Molded PU Insert with Memory Foam for Superior Underfoot Comfort
- bioDEWIX™ Anti-Microbial Footbed Insert Topcover with NZYM™ for Odor Control and Moisture Management

MUCK ORIGINALS ANKLE OAW-9PLD BROWN/PLAID

Whether you're out in the garden, stable or walk with the dog, you look great wearing Muck Originals Ankle Women.

- 100% Waterproof
- Full Neoprene Bootie Exposed at Sides for Added Comfort and Easy On/Off
- Molded PU Insert with Memory Foam for Superior Underfoot Comfort

HORSE & STABLE

WEAR MWRW-000 BLACK

Jodhpur with special lightweight riding boot sole and heel. Easy to put on riding boot and also easy to kick out due to the raised edge on the heel. The Achilles tendon has a reinforcement for extra protection. Still, it stays nice and light and supple thanks to the lightweight rubber sole. It is resistant to manure and urine. It is completely covered with rubber, making it extra easy to clean with water and mild soap. Get in and jump right on your horse!

- Snug Ankle Fit
- 5mm CR flex-foam bootie with four-way stretch nylon
- 100% waterproof, lightweight and flexible
- Seamless, full coverage, quick-clean rubber overlays
- Additional Achilles reinforcement for added protection
- Durable, lightweight rubber outsole
- Steel shank for additional arch support
- Wide-cut heel base for stability
- Comfort in sub-freezing conditions
- Unisex

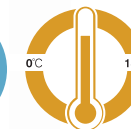

GARDEN & CAMPING

MUCKSTER II

Stay dry and comfortable in the Muckster II collection, ideal for any chore or task. These beloved classics offer rubber outsoles that are designed to easily shed debris and provide great multi-surface traction.

Whether you are in the garden, running errands, or walking the dog, you'll enjoy these easy-on/easy-off staples for every outdoor pursuit.

- 100% Waterproof
- 4mm Neoprene Bootie for Comfort and Performance
- Breathable Mesh Sandwich-fabric Lining Improves Air Circulation
- Comfort Topline
- Self Cleaning Rubber Outsole Built for the Lawn and Garden
- bioDEWIX™ Anti-Microbial Footbed Insert Topcover with NZYM™ for Odor Control and Moisture Management

FIT, CARE & WARRANTY

RUBBER CONDITIONER

The rubber and neoprene upper are very durable and clean up easily with water or gentle scrubbing with soap and water remove mud and any chemicals or animal waste. Allow to dry naturally at room temperature, avoid storing your boots in direct sunlight, near to artificial heat or in sub-zero temperatures.

The rubber upper can be conditioned with a spray as SmartRub™ or Gateway1 Rubber Conditioner: it treats the rubber to prevent cracks and drying out. You can also use it for maintaining the zip: unzip the boot and use it as a zipcleaner to remove grit and dust.

For boots without laces it is important you are comfortable with the fit of your boots. To avoid excess wear on the neoprene, ensure any heel slip when walking is minimal. If necessary, consider heel grips to aid fit. For extra comfort, preferably wear wool socks, at least not cotton, to ensure that you do not retain perspiration. Take them off with a bootjack.

Muck Boot, Gateway1 and Nokian Footwear gives a 12-month warranty against manufacturing defects, however not for wear.

Gateway1 Rubber conditioner, with built-in UV absorber, 150ml

SmartRub™ Rubber conditioner, 120ml

THE SMART PRODUCTS COMPANY sells smart innovative consumer products which brings a solution for daily inconvenience. The Smart Products Company is official distributor of Muck Boot, Gateway1, Nokian & HAI and producer of Rainlegs and Dbug.
